Stewards: Raced keenly in the middle stages and eased 1300m. Raced wide without cover from the 1000m. When questioned regarding his tactics from the 1000m rider explained the gelding had been over-racing up until this point and with the slow tempo of the event he elected to improve his position as the gelding is one paced and he was of the view he would be unable to improve once the pace quickened. He added the gelding started to give ground from the 400m and maybe better suited in contesting races of a further distance 2 horse(s) from this race have won since.

Short back-up of seven days and a 24 start maiden. Unplaced in 10 attempts with the sting out of the ground but still can threaten.
