Un sighted last start at Pakenham Synthetic when resuming and winkers come off for the first time. Didn't manage to run a place last preparation. Outside hope.

First start and a Ashleigh Smith trained horse. Watch early betting.

Finished in the middle of the pack at only start at Wangaratta and a Vincent Nolen trained horse. Draws to do no work. Should go well.

Resumes after a 19 week spell and trial placing in 133 days since last race adds confidence. Should find the lead easily having drawn well. Can get the job done.

Rider reported it did not quicken and may have reached the end of its preparation. 1 horse(s) from this race have won since.

Let-up for six weeks and has struggled so far this preparation. Concern is the wide barrier but still should fight out the finish.

Only just missed in driving finish last start at Ballarat Synthetic and up in trip. A Vincent Malady trained horse. Definitely the one to beat.

Came on to finish midfield last start at Pakenham Synthetic when first up. Expected to settle just off the speed and ran fourth at Swan Hill when last second-up. Consider.

Can't knock the form winning two in a row at Wangaratta and Echuca. Has genuine early speed. A winning chance.

On a five day back-up. Did nothing to threaten last start at Seymour but won all previous races as a favourite. At least a place chance here.												

Let-up and draws to do no work. Won't be far away in the run. Commands serious thought.

Coming off a win to break maiden at Ballarat Synthetic. Should race on the speed and keep an eye on a Henry Dwyer trained horse. Hard to go past.

Likely to race on the speed and won once this prep at Wangaratta three runs back. Go well.
